

SHAPING OUR FUTURE WORKFORCE

the NAF way

start
a NAF academy

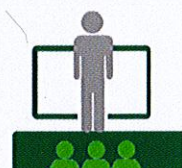

build the structure of support for the NAF academy during the **Year of Planning**

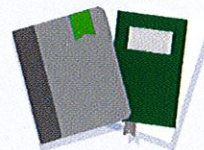

recruit students and open the NAF academy

dive deeper and help students **explore careers** through job shadows, mock interviews, and informational interviews

organize **career awareness** activities like: guest speakers, worksite tours, and career fairs

implement **industry-developed & vetted curriculum**

hire an intern and help them build key career skills and become NAFTrack certified

congratulate our **NAF grads** and provide scholarships so students can attend post-secondary institutions

network with NAF alumni and **NAFTrack certified grads** as they further develop their skills in college

recruit an innovative and future ready workforce

provide **professional development** resources and opportunities

consider hiring a **college intern**
